MESSAGE FROM THE PRESIDENT

Barbara Cheney
President, Oceanside Charter Chapter

Greetings again from the Oceanside Charter Chapter Executive Board! We hope that you're looking forward to spring and a great couple of months ahead of us with some exciting events in development.

We have been proud to announce that Oceanside Charter Chapter is offering a \$1,000 Special Scholarship through the Stephen Bufton Memorial Educational Fund to a deserving young woman in Brevard County. The scholarship will be awarded in May 2011. We now have ten candidates, the maximum number of applicants accepted by SBMEF, completing the online application process.

Thank you to Laura Chiesman, who has volunteered to chair the ABWA Chapter Woman of the Year and Top 10 Candidate award process. I would also like to encourage our members to nominate deserving candidates for the ABWA Oceanside Charter Chapter Woman of the Year and Top 10 Candidate awards. Our chapter has so many vibrant and talented members who would

qualify. Candidate applications are due to Laura by the February meeting.

Looking forward, the Executive Board is excited about several upcoming events. We are planning a Spring Member Mixer for early April at the riverfront home of Anita Carbone. We continue to offer these social forums to our members, since we always receive very favorable feedback from guests and members. These events are an enjoyable and great venue to invite prospective members. We will be planning more for this event to coordinate food and door prizes.

At the National level, there is the Regional Conference for Districts I & IV on March 18 and 19 in Atlanta. The board looks for continued opportunities to send new faces to these conferences.

You don't want to miss our March dinner meeting as we welcome Dr. Paul Grimm, and learn how to relieve stress and live a happier and healthier lifestyle.

Thanks for all that you bring to our organization. I look forward to seeing you at our dinner meetings into the spring!

"Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, ambition inspired, and success achieved."

FEBRUARY FEATURED SPEAKER

The Empowering Women Create Your Own Destiny

For centuries women "knew" their role in life and that fulfilling their own dream wasn't an option. Jean Newell's "Empowering Women" presentation explains how Mae West, Rosie the Riveter and Oprah, three women generations apart, lay the ground work and rules for today's successful business women. Learn the three elements these women share that grant all women the permission and courage to create their own destiny.

With no formal education in business, finance or distribution, Jean started Newco

Enterprises, a manufacturing and marketing company specializing in Jean's own inventions. Her products, a line of wearable organizer bags called PUPs (acronym for personal utility pouch), have been featured on QVC, and in major department store chains, boutiques and gift catalogs.

Jean is a national speaker, author and consultant. Her inventions have appeared on numerous television shows, radio programs and in print media, including QVC, *The Today Show*, *The Montel Williams Show*, *The Washington Post*, *The New York Daily News* and *The Chicago Tribune*.

Please join us on Tuesday, February 22 for Jean's fascinating presentation!

MARCH FEATURED SPEAKER

Dr. Grimm, a licensed Doctor of Chiropractic, completed his undergraduate studies at Indiana University of Pennsylvania. He received his D.C. degree from the prestigious Palmer College of Chiropractic. After graduation from Palmer, Dr. Grimm practiced in Oxford, England for six years before returning to Florida where he opened his office in Merritt Island in 2004.

Dr. Grimm is committed to bringing better health and a better way of life by teaching and practicing the true principles of chiropractic wellness care. Dr. Grimm uses a "whole person approach". This approach to wellness means looking for underlying causes of any disturbance or disruption (which may or may not be causing symptoms

at the time) and make whatever interventions and lifestyle adjustments that would optimize the conditions for normal function. Using this unique approach, Dr. Grimm is able to help patients accelerate and/or maintain their journey to good health.

Passionate about his work, Dr. Grimm volunteers his time as a member of the Foundation for Wellness Professionals, a not-for-profit association of natural healthcare professionals who devote their time as motivational and keynote speakers on health-related topics at no charge to their local communities.

Please join us on Tuesday, March 22 for Dr. Grimm's presentation on natural solutions to health.

Woman of the Year

Providing recognition for our members is an important part of ABWA's mission. It also provides our Chapter with an opportunity to celebrate the success of our most influential and revered members.

The Woman of the Year program was designed so that every Chapter can annually recognize a member who has made notable contributions and outstanding achievements. Being named Woman of the Year is a great honor—one that is highly respected by ABWA members.

Chapter Woman of the Year candidates must meet the following criteria:

- Be a member in good standing with ABWA National and Oceanside Charter Chapter for at least one year
- Attend a minimum of eight meetings within the ABWA year
- Demonstrate leadership qualities by serving as an ABWA officer, committee chair and/or committee member
- Recruit at least one new member within the ABWA fiscal year
- Demonstrate career advancement in her chosen field
- Contribute to her community through volunteerism
- Be perceived as a positive role model or mentor for others

Top Ten Business Women of ABWA

Each year, ABWA members are recognized nationally for exceptional achievements in their ABWA groups, professions and community, by being selected as the Top Ten Business Women of ABWA.

Each Chapter is encouraged to select a Top Ten candidate. The criteria for candidacy are designed to give each member the opportunity to be nominated for this prestigious award based on her accomplishments, both professional and personal.

Eligibility requirements for Top Ten Candidates:

- Member currently in good standing both nationally and locally
- Female
- Currently employed
- Current/past Chapter officer
- ABWA member in good standing for at least three years as of May 15 of the nomination year
- Nomination by her Chapter which has been her primary affiliation for at least one year as of May 15 of the nomination year

Judging Standards for Candidates for Top Ten:

- Career accomplishments
- Professional and Personal Goals
- ABWA Historical Profile
- Formal Education
- Community Involvement

The Member's Poem

Are you an active member...
 The kind that would be missed?
 Or are you just contented that your name is
 on the list?
 Do you attend the meetings
 To share ideas and talents?
 Or do you linger around the edges
 Just paying dues like rent?

Do you take an active part
 To help the work along?
 Or are you satisfied to be the kind that just
 belongs?
 Do you work on the committees
 With others who are busy like yourself?
 Or leave the work to just a few,
 Your valued contributions waiting on the
 shelf?

Please come to meetings often
 And help with hand and heart.
 Don't be just a member,
 But take an active part!
 Think this over, members:
 You know what's right from wrong.
 Are you an active member,
 Or do you just belong?
